

My Neighbors Foundation

Re: John Hawks Summer Camp Scholarships

March

Dear Hereford Zone Neighbor,

My Neighbors Foundation began in January 2007 in order to help students in need in the Hereford Zone to participate with their peers in school related activities. As our funding increased, in 2012, we started sponsoring summer camp for students in need.

We are looking for potential campers for this summer's MNF scholarships.

- Students must be currently on Free Lunch or have special circumstances (related to financial need).
- Students must live in the Hereford Zone.
- Applications are only accepted from March through July 1st
- Camp scholarships will be accepted for one week of day or sports camp
- Genesee Valley, Camp Puh'tok, HRC and sports camps are the primary camps we are funding but we are willing to accept applications to other camp programs that are in the same price range (\$350 to \$400).
- Scholarship opportunities end when allotted funds are used.

If you have a child that qualifies for a John Hawks Summer Camp Scholarship, please complete the MNF Scholarship form as well as a camp application and send them both to:
